

# Top 5 Ways Polaris SUPPORTS ADMINISTRATORS

**1.** Administrators are dealing with teacher retention, recruitment, and burnout issues and are afraid of adding “one more thing” to teachers’ responsibilities.

**POLARIS OFFERS:**

*Easy-to-follow guidance for overworked special educators, saving them time and mental energy.*

**2.** Administrators are worried about the compliance risk resulting from teachers using IEP goal banks and copying the same goals from student to student.

**POLARIS OFFERS:**

*SMART goal and accommodation suggestions that are individually tied to assessment data and support **progress monitoring** and student growth.*

**3.** Administrators are facing increased due process filings and state complaints because IEPs are being written by teachers who lack the training to write, implement, and maintain high-quality IEPs.

**POLARIS OFFERS:**

*Confidence that teachers are writing, implementing, and progress monitoring impactful, **meaningful IEPs that are truly individualized for student success.***

**4.** Administrators need data and reports to demonstrate student growth, but teachers are struggling with data collection and analysis.

**POLARIS OFFERS:**

*A fast, efficient way to **monitor and automatically report student progress** from completed n2y activities and manually entered data, with easy-to-interpret reports and graphs summarizing the findings.*

**5.** Administrators can only provide limited professional development time due to funding shortages and a lack of substitutes who can manage a special education classroom.

**POLARIS OFFERS:**

*Guidance through a **step-by-step process from IEP writing to progress monitoring**, acting as an IEP writing wizard, instructional implementation coach, and progress monitoring hub. Teachers also learn best practices and can choose optional fee-based PD opportunities.*

# Top 5 Ways Polaris SUPPORTS TEACHERS

**1.** Teachers lack the time to write high-quality IEPs with all their other job responsibilities.

**POLARIS OFFERS:**

*A quicker way to write, implement, and monitor IEPs that are truly individualized and compliant—by acting as an IEP writing wizard, instructional implementation coach, and progress monitoring hub.*

**2.** Teachers don't feel they have the knowledge, training, or resources to write high-quality IEPs based on each student's needs.

**POLARIS OFFERS:**

*Guidance through a step-by-step process that includes writing **compliant data-driven present levels statements and SMART goals**, implementation support for specially designed instruction, and progress monitoring that's automatic.*

**3.** Teachers find progress monitoring overwhelming and time-consuming.

**POLARIS OFFERS:**

*Automatic synchronization of data from Unique Learning System and recommendations for instructional resources that can provide additional data points.*

**4.** Teachers struggle to communicate student growth to families through reports and graphs.

**POLARIS OFFERS:**

*A plethora of **automatically generated reports and graphs** that are easy to read and interpret, supporting data-driven decisions and celebrations of student growth with all IEP team members.*

**5.** Teachers are spending time and their own money searching for engaging instructional resources and materials they can use to teach and monitor progress on IEP goals.

**POLARIS OFFERS:**

*Automatic recommendations of **standards-aligned lessons and activities** that target areas of growth and tie back to a student's IEP goals.*
